

ROAD WARRIORS

Are you a natural leader who loves being on the front lines of the action? Are you outgoing and looking for a challenge?

The Road Warriors are an elite team of volunteers that specialize in ensuring the safety of our patrons, volunteers, and staff throughout the festival’s paths and roadways so that they may make the most of their festival experience. The roadways through the festival can pose a number of problems if not properly managed and this key role at the festival allows you to have a serious impact by using your quick eye and your big outside voice to alert patrons, staff, or volunteers of any safety concerns. As a team, we have to be alert, easily visible, and in constant communication with our fellow team members and festival patrons.
