

GATES

Always wanted to be at the front-line of a giant festival? If you are a natural leader who's calm in the face of chaos, consider the Gates team, and welcome our guests into this great festival!

Gates volunteers support the overall effective operation and monitoring of admissions for all marked ticketed entry and exit points at Ottawa Bluesfest. This is an exciting area, as it's the first contact patrons have with volunteers when they reach the festival site. Volunteers move huge crowds of people in and out of the festival site very quickly and have a great deal of fun while doing it. Gates' leadership positions are staffed from within, so this is an excellent opportunity to practice and enhance leadership skills.

Duties in this area are varied and will be assigned by a supervisor on a shift-by-shift basis.
